

SMALL GROUP VISION STATEMENT WORKSHEET

Development of Vision Statement

The Vision Statement is a statement that states the **MIND/HEART/SPIRIT** of the members of an organization. It is a statement that identifies what you want to improve, maintain and enhance. It is a guideline that will be used by you to develop your Strategic Plan for the SAC. It is a benchmark to be used by you to assess the SAC's evolving success.

Remember to use your heart; be optimistic and idealistic, but realistic. Give a strong image of what you role you would like to see for the SAC in the future.

IT IS 5 YEARS FROM NOW, THE SAC IS FUNCTIONING PROACTIVELY, JUST AS YOU HAD HOPED.

1. YOU ARE IN A HOT AIR BALLOON, WHAT DO YOU SEE?
2. WHAT IMPROVEMENTS HAVE BEEN MADE?
3. WHAT ARE PEOPLE SAYING ABOUT THE SAC AND FKNMS NOW?
4. WHAT SAC PROBLEMS HAVE BEEN SOLVED?
5. WHAT SPECIFIC OUTCOMES HAVE BEEN ACHIEVED?
6. HOW ARE PEOPLE BEHAVING DIFFERENTLY?
7. WHAT ARE OUR CORE VALUES?

DRAFT A ONE PARAGRAPH VISION STATEMENT FROM THE ANSWERS YOU HAVE GIVEN ABOVE. INCORPORATE YOUR CORE VALUES IN THE STATEMENT IF YOU CAN.
